Dear Members of St. Joseph Music Foundation,

Thank you for your generous donation to Special Olympics St. Joseph, MO. Saturday was an exciting day for my son Josh who got to participate in SOMO basketball tournament in Kansas City. The faces of the boys and girls were truly joyous as they got their day on the court. This is truly a worthwhile organization and thanks to people like you it is reaching many special children right here in St. Joseph.

Thank You,
Josh and Mom

A huge thanks to the St. Joseph Musician Association for the monetary donation of \$100.00 that contributed to travel expenses (gas money) for the "SJSO Olympians" (School-aged Special Olympians) to travel to Belton, MO this past weekend for our Area Basket Ball tournament. The donation assisted greatly in the cost of gasoline for the 6 rented vehicles that carried athletes to the event!

Thanks,
Mandie Goddard-Rowlett
